Short summary of relevant skills and experience	<p>His research interests include contemporary Russian and Ukrainian sociocultural developments and nation-building in the post-Soviet area. His latest book is <i>Ukrainian, Russophone, (Other) Russian: Hybrid Identities and Narratives in Post-Soviet Culture and Politics</i> (Peter Lang, 2020). He has written several articles on the Ukrainian and Russian cultural and social history. From 2015 to 2017, he has been among the coordinators of the international research project (2015-2017) entitled <i>Russia and China in the Global World. State and Society between internal dynamics and external projections</i>. Since 2018 he has been working on a research project entitled <i>Multiculturalism and Regionalism in Post-Maidan Ukraine</i>.</p>
